SECRETARY'S CORNER

To all Brothers and Sisters, The Articles of the Inc. Constitution and Statues are revised every other year on the odd years (2005, 2007). The Rules & Regulations are revised every other year on the even years (2004, 2006). The final revisions for both are approved at the International Convention each year; therefore the new edition of each book will be available towards the end of each year depending on if it is an even year or an odd year. **As a member you may place an order with me to obtain a copy of the Constitution at a \$5.00 cost. If your interested in a copy let me know.**
